On the same date, [REDACTED] for the Americana Hotel, who resides at [REDACTED] advised that at around 8:10 PM, July 17, 1968, she was telephonically contacted by what appeared to be a mature-sounding white male. The individual identified himself to be (First Name Unknown) [REDACTED] (phonetic), a reporter for the "New York Times." The man said he was staying at the Americana, and was sent there to do a pre-convention story on the Republican National Convention for the newspaper. He asked where ROCKEFELLER would be staying in the hotel. [REDACTED] related that ROCKEFELLER is, in fact, staying at the hotel during the Convention.) [REDACTED] informed the man that she could not give out the information he requested. She informed that this policy was set forth by [REDACTED] Republican Committee, State of New York. This information was provided [REDACTED] of the Miami Herald, with the permission of [REDACTED] and under the understanding it not be disseminated.

[REDACTED] went on to state the individual expressed a great deal of interest in a terrarium in the lobby of the hotel. This is a tree-like thing, made of glass which runs from floor to ceiling in the hotel. He asked her about the suite, and [REDACTED] told him that part faces the ocean, and it is a typical suite. He asked if Mrs. JOHN JACOB ASTOR would be taking over a penthouse. This question was answered in the affirmative.

[REDACTED] related she would like to meet the man for lunch, and he said he was expecting a photographer the next day. She volunteered to help in any way. He asked her about security. She replied that it would be tighter than anything before. He sort of laughed and said, "Watch your police cards." He laughed as he said this; put off setting the date for a meeting, and eventually hung up after thanking her for her time.

PROTECTION OF THE PRESIDENT

At 9:30 a.m., on July 17, 1968, the New Orleans Office of the Federal Bureau of Investigation received a telephone call from [REDACTED]

[REDACTED] said he received a letter from [REDACTED] in which [REDACTED] requested that it be delivered to his mother. The letter contained remarks referring to an attempt to assassinate Governor Nelson Rockefeller by him [REDACTED] and others. The letter was four pages long and also contained information to the effect that Governor McKeithen was trying to kill him [REDACTED]. He said the letter also contained a clipping of a newspaper article in which [REDACTED] was either arrested or in the protective custody of the Secret Service in Little Rock, Arkansas. [REDACTED] stated he knows [REDACTED] to be a drunk and mentally unbalanced. b7c b7D

[REDACTED] stated he would hold this letter until contacted by an agent of the Federal Bureau of Investigation or Secret Service.

At 10:45 a.m., on the same date, [REDACTED] of the Secret Service, New Orleans, Louisiana, was advised of the above. b7c

At 11:45 a.m., [REDACTED] advised that on [REDACTED] [REDACTED] was committed by the Arkansas State Police to the Arkansas State Hospital for the Insane in Little Rock, Arkansas. b7c

On August 5, 1968, [REDACTED] advised that the letter he referred to had been mailed to him by [REDACTED] for delivery to his mother, [REDACTED]. This letter did not contain any admissions on the part of [REDACTED] about any plot to kill Governor Nelson Rockefeller. [REDACTED] stated that Secret Service Agents had arrested [REDACTED] and another man (name not recalled) in [REDACTED]. b7c

ENCLOSURE

[REDACTED] b7c

11 Little Rock, Arkansas, for allegedly taking part in such a plot. Also enclosed was a newspaper clipping giving the alleged details of the arrest. However, in the letter [REDACTED] denied being involved in any such plot. b7c

12 [REDACTED] advised that a representative of the  
13 Secret Service, New Orleans, had telephoned him at the time he  
14 had phoned the FBI and requested the letter, newspaper clipping  
15 and envelope be mailed at once to him. [REDACTED] advised he  
16 did this and that the letter, envelope and clipping were subse-  
17 quently returned to him. He showed a letter dated July 26, 1968,  
18 on Secret Service, New Orleans, Louisiana, stationary, signed  
19 [REDACTED] Special Agent in Charge, stating the above items,  
20 which were enclosed, were being returned to [REDACTED]. He  
21 advised he immediately turned these items over to [REDACTED]  
22 as instructed by [REDACTED] in his letter.

23 [REDACTED] told him that her son, shortly before the  
24 alleged arrest, had been staying briefly at the [REDACTED] b7c  
25 [REDACTED] and he had telephoned her and told her he was going  
26 to fly to Little Rock, Arkansas, and attempt to interview Governor  
27 Winthrop Rockefeller, of Arkansas, about the bodies found in the  
28 investigation of the Arkansas penal institutions recently. It  
29 was his intention then to be granted an interview on some type  
30 of radio or television program in New York run by a relative or  
31 classmate of his from college, at which time he could tell what  
32 he had learned from Winthrop Rockefeller. Instead, Governor Nelson  
33 Rockefeller, by coincidence, was in Little Rock when he arrived  
34 there, and Secret Service mistakenly arrested her son for some type  
35 of fictitious plot to kill Nelson Rockefeller. He gathered from  
36 what [REDACTED] said that [REDACTED] had been placed in  
37 some type of mental hospital in Little Rock, but that she had  
38 some doctors available to testify that he was sane and expected  
39 to have him returned home soon. However, he has not seen [REDACTED]  
40 in the [REDACTED] area yet.

RE: UNKNOWN SUBJECT;

APPENDIX

NATIONAL KNIGHTS OF THE KU KLUX KLAN, INC.  
(NKKKK)

A source advised that on May 22, 1960, the National Grand Council of the Knights of the Ku Klux Klan met at Atlanta, Georgia, to discuss consolidation of the Klan's unity of effort and activities to establish a National Fund, and a National Secretary, and to design a new flag. The meeting was attended by representatives of the Federation of Ku Klux Klan, Alabama; Association of Arkansas Klans, Arkansas; Florida Knights of the Ku Klux Klan, Florida; Southern Knights of the Ku Klux Klan, Florida; Association of Georgia Klans, Georgia, Knights of the Ku Klux Klan, North Carolina; Dixie Knights of the Ku Klux Klan, Tennessee; and Kyksos Klan, Texas.

This source advised that at a consolidation meeting at Atlanta, Georgia, September 2-5, 1960, at which the North Carolina and Texas Klans were not represented, it was resolved and passed that their name be changed to National Ku Klux Klan.

A second source advised in March, 1964, that several meetings of Klan groups were held during the period 1960 to 1963 in an effort to unite the Klan groups under a single leadership.

The organization was granted a charter in DeKalb County, Georgia, November 1, 1963, under the name National Knights of the Ku Klux Klan, Inc., as a "patriotic, secret, social, and benevolent order."

A third source advised in December, 1963, that the organization had issued a statement of its program which indicated the organization to be anti-Negro, anti-Jewish, anti-Catholic, and anti-foreign born.

-2-

A fourth source advised in July, 1968, that the organization has its headquarters in Tucker, Georgia, and the day-to-day operations are under the direction of James R. Venable, Imperial Wizard.

SUBJECT: REQUEST BY GOVERNOR ROCKEFELLER  
FOR DISCUSSION OF SDS AND  
BLACK MILITANT ACTIVITIES,  
NEW YORK STATE

*gm*

Re Albany telecall to New York this date.

WILLIAM E. KIRWAN, Superintendent, New York State Police, advised SAC LEO J. CONROY of the Albany Office that Governor ROCKEFELLER was most desirous of discussing problems encountered in New York State in regard to SDS and black militants. Superintendent KIRWAN indicated that Governor ROCKEFELLER learned that the Bureau had given excellent briefings to government officials in Washington relative to SDS and black militants and he desired to be briefed in the same manner if at all possible. He is also interested in knowing the extent of any Communist Party influence in SDS activities. Superintendent KIRWAN stated that the Governor was especially concerned in view of recent SDS disturbances at Columbia, Cornell, and in various units of the state educational system. If at all possible, he desired this discussion to be held at his New York City office on 10/30/69, at 10:00 AM.

It is recommended that favorable consideration be given to the Governor's request, and if the Director concurs, it is requested that ~~Internal Security Section~~ Internal Security Section, be allowed to give the Governor this briefing inasmuch as he will be cognizant of all the activities in the three divisions in the state.

# Memorandum

TO : Mr. W. C. Sullivan

DATE: October 10, 1969

FROM : C. D. Brennan

SUBJECT: REQUEST BY GOVERNOR ROCKEFELLER  
FOR DISCUSSION OF STUDENTS FOR  
A DEMOCRATIC SOCIETY AND BLACK  
MILITANT ACTIVITIES, NEW YORK STATE

## BACKGROUND:

The New York Office has advised that a request has been received from William E. Kirwan, Superintendent, New York State Police, for Governor Nelson Rockefeller to be briefed by a Bureau official in regard to the activities of the Students for a Democratic Society and Black militants in New York State. Kirwan made this request through the Albany Office and indicated that Rockefeller had learned that Government officials in Washington had been afforded such briefings and he desires to be briefed in the same manner, if at all possible. Kirwan requested that a meeting be held in Governor Rockefeller's office in New York City on 10/30/69 at 10 a.m., if possible.

## OBSERVATIONS:

While we have in the past briefed some high level officials of the Executive Branch of the Government on a very selective basis, the Director has instructed that this be discontinued, and we have not conducted any such briefings recently. We have never briefed state officials, such as Governor Rockefeller, and it is felt that if we comply with his request at this time, we would be setting a bad precedent. We do, of course, keep appropriate state and local authorities advised of intelligence data developed which is of interest to them and will continue to do so.

## RECOMMENDATION:

Attached for approval is a letter to New York denying Governor Rockefeller's request.

# Memorandum

TO :

MR. DE LOACH

DATE: 10-13-69

FROM :

MR. W. C. SULLIVAN

SUBJECT:

REQUEST BY GOVERNOR <sup>Nelson</sup> ROCKEFELLER  
FOR DISCUSSION OF STUDENTS FOR  
A DEMOCRATIC SOCIETY AND BLACK  
MILITANT ACTIVITIES, NEW YORK STATE.

Reference is made to the enclosed memorandum from C. D. Brennan to W. C. Sullivan 10-10-69 with the Director's notation "I think we should make an exception in this case." In view of the Director's decision to make an exception, I think we should take every step possible to make this an outstanding presentation before Governor Rockefeller. If we are going to appear, then we want to really put on the finest performance possible.

It is to be noted that he wants to be briefed in two broad areas; one being the New Left and the other the black extremists or militants. Therefore, I recommend that both C. D. Brennan, who handles the New Left, and G. C. Moore, who handles the black extremists, go to New York and brief Governor Rockefeller as a team. Each one has an excellent grasp of these two subject matters and also an abundance of very impressive material, including charts, diagrams, pictures, tapes, etc. If they present this as a team as they have in the past, I am sure Governor Rockefeller will be not only thoroughly informed when they finish, but he will have the highest possible regard for the professional competency of the Bureau. We don't want to have anything less than that.

I know what these two men can do together for I have been with them and there is not a better combination anywhere in these two areas.

It was previously recommended and approved by the Director that Section Chiefs George C. Moore and C. D. Brennan should brief Governor Nelson A. Rockefeller of New York in response to a request for such a briefing.

This is to advise these two men met with the Governor in his New York Office on 10/30/69. The Governor was very cordial and the briefing lasted two hours. It covered (1) the ever-all problem of communist activities and subversion, including New Left activities and (2) the activities of black militant organizations currently active. The Governor was most interested as evidenced by the fact that he asked a number of objective and penetrative questions. He explained that he desired the briefing particularly because of his great concern about the potential for disruption and violence on the campuses of the colleges and universities of New York State. At the conclusion he expressed his thanks and asked that his appreciation be conveyed to the Director for the splendid cooperation afforded him.

FROM : SAC, NEW YORK

SUBJECT: CONSULTATION WITH GOVERNOR ROCKEFELLER

On 10/30/69, I was present at Governor ROCKEFELLER's office in New York City, together with members of the Governor's staff and other highly placed State officials.

Bureau Section Chiefs CHARLES D. BRENNAN and GEORGE C. MOORE discussed with Governor ROCKEFELLER the New Left and the racial situation throughout the United States, with special emphasis in regard to problems in New York State.

These Bureau officials made an outstanding and impressive presentation. It was apparent to all that they had a comprehensive knowledge of their subject matter and the Bureau's responsibilities in this field.

At the conclusion of their talk, the Governor and all others present indicated they learned much from this presentation. The Governor was most appreciative and expressed his highest regard for the Director and the work of the Bureau.

In my opinion, these Bureau officials did much to enhance the prestige of the Bureau in the State of New York.

[REDACTED]

## OBSERVATIONS:

9 MAR 22 1970

As you are aware, the militant and terroristic Weatherman group has been involved in dynamite explosions in New York City, made plans to bomb police installations in Detroit, and according to Mark Rudd, National Weatherman Secretary, will direct "strategic sabotage" against police and military installations including bombings. We have issued numerous instructions to the field to locate and investigate all members of the Weatherman group.

COMMUNITY MEETING, WESTCHESTER COMMUNITY COLLEGE,  
7/31/70, CALLED BY GOVERNOR NELSON A. ROCKEFELLER  
RE DRUG ABUSE AND ADDICTION

The attached telegram was received at NY on 7/25/70.

I do not intend to attend this meeting UACB inasmuch as the Bureau does not have jurisdiction in the matters to be discussed and since this appears to be a public meeting which will have political overtones in view of Governor Rockefeller's present campaign for reelection.

DRUG ABUSE AND ADDICTION CONSTITUTE ONE OF THE TOUGHEST  
PROBLEMS WE FACE TODAY. IT IS A PROBLEM THAT INVOLVES ALL  
ELEMENTS OF THE COMMUNITY AND, AS GOVERNOR, I AM DEEPLY CONCERNED  
THAT WE HAVE NOT YET MOBILIZED THE LOCAL RESOURCES NEEDED TO CURB  
THIS MENACE.

THEREFORE, I AM CONVENING A MEETING OF COMMUNITY LEADERS IN  
THE WESTCHESTER AREA TO DISCUSS TOGETHER HOW WE CAN MEET THIS  
PROBLEM. IMMEDIATE POSITIVE ACTION IS CLEARLY NEEDED.
